

## **vFlash - Terms and Conditions**

### vFlash

1. vFlash high speed internet access service is available only in the high speed internet access coverage areas of Tata Teleservices Ltd. and Tata Teleservices (Maharashtra) Ltd.
2. Actual internet speed will depend on multiple factors like time of the day, number of simultaneous users, web page accessed, HSIA Network availability, etc.

### On Demand

1. The users can download unlimited Content free of cost for a period of 30 days from the date of registration for On Demand services for all customer acquisitions till 31<sup>st</sup> March 2010. However, charges for data access shall apply as per the terms of the tariff plan subscribed by the customer. On expiry of the said period of 30 days, the user shall be charged for downloading Content as per the rates set out on Hungama.com. For complete terms and conditions for usage of On Demand services, please visit [http://www.hungama.com/condition\\_of\\_use.php](http://www.hungama.com/condition_of_use.php)

### vFlash TV

1. The users can view vFlash TV at zero rental for the first 30 days from activation of vFlash device for all customer acquisitions till 31<sup>st</sup> January 2010. From 1<sup>st</sup> February, vFlash TV will be available on monthly rental, as per their choice of pack which will be notified on this website.
2. Browsing charges as per your vFlash tariff plan would be applicable while viewing vFlash TV.
